Independent Auditor's Report

The Board of Trustees of The Red Devils, Inc .:

I have audited the accompanying statements of financial position of The Red Devils, Inc. (TRD) as of December 31, 2011 and 2010, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of TRD's management. My responsibility is to express an opinion on these financial statements based on my audits.

I conducted the audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control over financial reporting. Accordingly, I express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Red Devils, Inc. as of December 31, 2011 and 2010 and the changes in it's net assets and it's cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Notes to the Financial Statements

December 31, 2011 and 2010

(1) Organization

The Red Devils, Inc. (TRD) is a Maryland charitable organization organized to fund certain services to improve the quality of life for breast cancer patients and their families. The supported services include transportation assistance, preparation of family meals, house cleaning and other beneficial services.

Patients are eligible for services if they live and seek treatment in Maryland and are referred by participating hospitals and centers. Recipients of services are generally identified by social workers and support staff at these facilities.

For income tax reporting purposes, TRD is exempt from certain Federal and state income taxation pursuant to Section 501(c)(3) of the Internal Revenue Code (IRC) except for certain unrelated business activities. TRD has currently been classified as an organization that is not a private foundation within the meaning of Section 509(a) of the IRC.

TRD is dependent on contributions and fund raising events to support its program activities.

(2) <u>Summary of significant accounting policies</u>

<u>Basis of accounting</u> - The financial statements of TRD have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Pursuant to the Accounting for Contributions Received and Contributions Made and Financial Statements of Not-for-Profit Organizations Topics of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC), TRD presents information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets. Such classifications are determined upon grantor and donor-imposed restrictions.

Unrestricted net assets include net assets that are not subject to externally imposed restrictions; temporarily restricted net assets are subject to externally imposed restrictions that may or will be either satisfied by actions of the organization or the passage of time; and, permanently restricted net assets, are subject to externally imposed restrictions which are permanent in nature.

Notes to the Financial Statements

(2) Summary of significant accounting policies (continued)

<u>Fair value of financial instruments</u> - The estimated fair values of TRD's financial instruments principally consist of accounts receivable and accounts payable and are considered by management to approximate their fair value for financial reporting purposes due to either their respective short-term nature or that such amounts are periodically adjusted to fair value.

<u>Office equipment</u> - Office equipment acquired with a useful life estimated beyond one year and a value of \$5,000 and above are to be capitalized and recorded at cost, if purchased, or at fair value, if contributed. Routine acquisitions and maintenance and repairs are charged to expense as incurred.

<u>Public support and revenues</u> - Public support and revenues are recorded as unrestricted, temporarily restricted or permanently restricted depending on the existence and nature of any donor imposed restrictions. Upon the expiration or satisfaction of a restriction, temporarily restricted net assets are reclassified to unrestricted net assets.

Public support and revenues which are restricted are to be reported as an increase in unrestricted net assets if the expiration or satisfaction of the restriction occurs in the same financial reporting period in which the public support and revenues are recognized. All other donor restricted funds are to be reported as an increase in temporarily restricted or permanently restricted net assets depending on the nature of the restriction.

<u>Contributed services and materials</u> - Certain volunteers have donated time to the organization's program and supporting services which there is no method to objectively measure their fair value. No amounts have been reflected in the financial statements for these contributed services.

<u>Expense allocation</u> - The costs of providing program and supporting activities have been summarized on a functional basis in the Statements of Activities and Functional Expenses. Accordingly, certain costs have been classified among the program and supporting services benefitted.

Notes to the Financial Statements

(2) <u>Summary of significant accounting policies</u> (continued)

<u>Use of estimates</u> - The preparation of financial statements in accordance with generally accepted accounting principles requires management to make periodic estimates and assumptions that affect the reported amounts of assets and liabilities as of the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from the amounts estimated and reported upon.

(3) Lease commitment

Beginning during, 2010, TRD became obligated pursuant to a noncancellable operating lease for an office facility. The terms of the lease provide for a month rent free period, require monthly payments of \$1,266 beginning January 1, 2011 adjusted annually up to \$1,424 through for the year beginning January 1, 2015 and also require payment of certain utility and ancillary costs.

As of December 31, 2011, the following is a schedule of the future minimum rental commitments for years ending December 31 of each year:

| 2012 | \$15,643 |
|------------------------------|----------|
| 2013 | 16,112 |
| 2014 | 16,596 |
| 2015 | 17,094 |
| Total outstanding commitment | \$65,445 |

In connection with this lease commitment, rent expense for the year ended December 31, 2011 amounted to \$15,606. As of December 31, 2011 and 2010, TRD also had accrued rents of \$3,020 and \$2,601, respectively.

TRD previously had another lease commitment which required monthly payments of \$700 through October, 2010. The total rental expense for the year ended December 31, 2010 amounted to \$11,701.

Accordingly, no provision for income tax has been included in the financial statements.

With few exceptions, TRD is not subject to income tax examination for years prior to 2008.
